mm/dd/yyyy
3. Mailing Address: _____
Street Number, Street Name, and Apartment Number, if Applicable
4. City and Postal Code: _____
5. Email Address: _____ 6. Gender: Female Male

Engineering Education

7. Please list all graduate and undergraduate studies below and provide supporting documents.

College or University	Dates of Attendance (from-to) (mm/dd/yyyy)	Date or Expected Date of Graduation (mm/dd/yyyy)	Degree Received or Expected (for example, B. Eng)

8. **Affirmation.** By my signature below, I affirm that I have attained senior status or am a graduate of a four-year engineering program of AUS. I am the applicant named in this application, I have read the contents thereof, and, to the best of my knowledge and belief, the foregoing statements are true and correct in every respect.

Signature of Applicant _____

Date _____

For Office Use Only:

Eligibility confirmed by CEN: _____ Date: _____

Eligibility confirmed by TC: _____ Date: _____

Candidate registered to NCEES through AUS: YES NO

Comments: _____

AUS Exam Registration Fee: AED 95

Application Instructions

Fundamentals of Engineering (FE) Examination

The following instructions will assist you in completing your application for the Fundamentals of Engineering (FE) examination. Proper attention to details will help avoid delays in processing and will expedite final review of your application. Failure to completely and properly fill out the application form will not only cause delays but may result in the inability to qualify you for the FE examination.

Who Is Eligible to Apply

Applicants must be:

- a graduate of a four-year engineering program of American University of Sharjah (AUS), **or**
- a student who is currently enrolled in a four-year engineering program at AUS. Senior status is defined as having attained sufficient academic credits that the applicant expects to be awarded a bachelor of engineering or science degree in engineering within 12 months of the administration of the FE exam.

Processing of Applications

Through a Memorandum of Understanding between the National Council of Examiners for Engineering and Surveying (NCEES) and American University of Sharjah (AUS), eligible candidates will complete and file their applications and any AUS application related fees with AUS. AUS will provide assistance to candidates as needed to complete the applications and prequalify applicants. Those deemed to have satisfied the requirements for seating for the examination will be notified by AUS and directed to the NCEES website to register for the exam. Qualified applicants must complete the online registration process in order to be seated for the examination. Approximately three weeks prior to the exam administration date, applicants who have registered through the NCEES website will be able to log in to the NCEES website and print a copy of their admission notice to gain entrance to the exam site.

Inquiries, application materials and AUS required fees must be forwarded to:

Fees

The total fee for the FE exam is US \$250 and is due and payable at the time of the online registration. The fee covers registration for the exam, the administration of the exam, and the scoring of the exam and distribution of the results and related materials.

Application Deadlines

Application forms and any additional fees payable to AUS must be submitted to AUS no later than February 15 for the spring exam administration and August 15 for the fall exam administration.

Exam Results

NCEES will provide AUS with written notification of an applicant's exam results. AUS will provide candidates with their exam results. This information will also be retained by NCEES and available for confirmation upon written request by the candidate, AUS or a Member Board of NCEES. All exam results will be reported as pass or fail and no numerical scores will be provided.
