

Change of Academic Catalog Form

- The graduation requirements for any individual student are normally determined by the catalog that was effective when the student matriculated in the major. A student may choose to follow the catalog effective for the semester when the student expects to complete his/her graduation requirements.
- Student must file this form with the Office of the Registrar no later than the end of the add/drop period of the student's graduation semester/term.
- Every individual student is personally responsible for meeting all graduation requirements as detailed in his/her catalog year.
