Login to <https://infodesk.aus.edu> to submit this form

Students who did not submit the official iBT score report (purple slip with barcode) to the Office of Enrollment Management need to verify their iBT scores through the AUS Testing and Professional Development Center. Those students must complete the following form and submit it along with a copy of the iBT TOEFL report [either the student copy (green slip) or the one printed online]. All scores will be verified according to the username and password provided. Please allow two days for the results to be verified. This service is free of charge.
