

11th International Symposium on Mechatronics and its Applications (ISMA'18)

Sunday, March 4, 2018

13:00–16:00	Registration (Main Building)
14:00–16:00	ROS Tutorial (Main Building Hall B)
16:00–16:45	Invited Talk (Main Building Hall B) <i>Advances in High Performance Computing</i> <i>Professor Houssain Kettani</i> Department of Computer Science, Florida Polytechnic University, FL, USA
16:45	Reception (Main Building)

Monday, March 5, 2018

8:30–9:30	Registration (Main Building)
9:30–10:00	Opening Ceremony (Main Building, Hall A) Professor Björn Kjerfve, Chancellor, American University of Sharjah Professor Richard Schoephoerster, Dean of Engineering, American University of Sharjah Professor Lotfi Romdhane and Professor Mamoun Abdel-Hafez, General Conference Chairs, American University of Sharjah
10:00–11:00	Keynote Address 1 (Main Building, Hall A) <i>Smart Living: The Next Frontier</i> <i>Professor Sajal K. Das</i> Daniel St. Clair Endowed Chair, Department of Computer Science, Missouri University of Science and Technology, USA
11:00–11:30	Coffee Break and Student Poster Competition
11:30–13:00	Morning Technical Sessions A (Main Building Hall B)
13:00–14:15	Lunch (Main Building Dining Room)
14:15–15:30	Afternoon Technical Sessions B (Main Building Hall B)
15:30–16:00	Coffee Break and Student Poster Competition
16:00–17:30	Afternoon Technical Sessions C (Main Building Hall B)
18:30	Gala Dinner

Tuesday, March 6, 2018

9:30–10:30	Keynote Address 2 (Main Building, Hall A) <i>Distributed Algorithms for Multi-Robot Systems</i> <i>Professor Jeff S. Shamma</i> King Abdullah University of Science and Technology, Saudi Arabia
10:30–11:00	Coffee Break
11:00–12:30	Morning Technical Sessions D (Main Building Hall B)
12:30–13:30	Morning Technical Sessions E (Main Building Hall B)
13:30–15:00	Lunch (Main Building Dining Room)
15:00–17:00	Afternoon Technical Sessions F (Main Building Hall B)
