Greetings,

After reviewing the *Interim Progress Program Report* submitted by the American University in Sharjah, the National Architectural Accrediting Board (NAAB) has concluded that the IPR be accepted as having demonstrated satisfactory progress toward addressing deficiencies identified in the most recent Visiting Team Report.

Subsequently, NAAB requires that the following item(s) be addressed in the five-year report due in 2018:

**Staff Turnover
Diversity**

In addition, please continue to address all changes or planned changes to the program.

The term of accreditation stands. The next visit will be in 2021. The program is also required to submit annual statistical reports through the ARS.

If you have any questions regarding this matter, please contact the NAAB office.

Very truly yours,
