

## AUS Senate Standing Committees (2018-2019)

### 5- Faculty Welfare Committee (FWC)

By delegation, this committee is responsible for initiating, evaluating, and proposing new or modifications to policies and implementation guidelines pertaining to the collective interest and general welfare of Faculty, for the purpose of continuously developing AUS as an excellent institution of higher learning and research, on solid financial ground. The scope of responsibilities of this committee includes: (1) Faculty compensation, benefits, housing, work conditions, and quality of life; (2) Faculty recruitment, retention, promotions, dismissals, contracts, course loads, leaves of absence; (3) Public Relations, information technology services, campus development, or the efficient use of university facilities, as they impact the quality of work and life for Faculty; and (4) Any issue related to the well-being of AUS Faculty that is not addressed by other standing committees of the Senate. To discharge its function, the Chairperson of this committee is delegated the powers to request and receive, in a timely fashion, necessary reports from Administrators. This committee reports to the Senate Executive Committee through the Senate President.
