## Study abroad for summer 2012

### University of Exeter International Summer School program for 2012

The three week program in London and Exeter, ranked 10th in the 2012 Times Good University Guide, consists of accredited academic courses and a comprehensive cultural and social program. The all inclusive fee is £1,995 (£1,795 if paid before 31 Jan) and the program takes place 21 July -11 August. Details about the program, including timetables, can be found at: <http://www.exeter.ac.uk/international/summerschool/>

### CIEE Study Abroad summer programs

CIEE has been sending students abroad since 1947 and today offers more than 30 programs in over 20 countries during the summer. Students can choose to spend two to eight weeks with CIEE next summer on one of the widest selection of study abroad programs. Visit [www.ciee.org/summer12](http://www.ciee.org/summer12) and learn more about the CIEE Study Abroad summer programs and the experiences participants have had while abroad.

### ISEP summer programs 2012

With over 20 countries to choose from, students can study in a variety of subjects and languages. ISEP offers almost 40 different Summer Programs with Exchange and Direct options. Check out the link below:  
[http://www.isep.org/students/Programs/summer\\_programs.asp](http://www.isep.org/students/Programs/summer_programs.asp)

### The Pembroke-King's Program University of Cambridge

The summer program, based at Pembroke and King's Colleges, offers an exceptional opportunity to experience life as an undergraduate in one of the oldest and most distinguished university cities in the world. During this eight-week program, students select three courses from a wide variety of options in the arts, social sciences, humanities and sciences. The courses reflect Cambridge and British styles of teaching and learning. Program dates: 1 July – 25 August 2012. Apply now for PKP summer 2012! <http://www.pem.cam.ac.uk/ip/pkp/>

## International Summer University 2012 at TU Braunschweig

SENSE – Science and Engineering Summer Experience. The TU Braunschweig offers a 7-week summer program for undergrad students in the fields of German Language & Culture and Mechanical or Electrical Engineering, Computer Sciences, Business Administration, Architecture, Physics or Biosciences. The SENSE Summer University 2012 takes place on 25 June - 10 August. To apply and for more information about the program, academic schedule and the requirements please visit:  
<https://www.tu-braunschweig.de/international/sense>

## CIEE's International Faculty Development Seminars

Ten participants joined the International Faculty Development Seminar (IFDS) which was held at AUS between January 8th and January 12th with the title "Perception and Reality: Intersections of Society, Culture, Business, and Religion in the United Arab Emirates". 10 participants attended the seminar. 18 IFDS programs in summer 2012 in 21 countries are open to all faculty and administrators. For more information about IFDS please visit: <http://www.ciee.org/IFDS/about-ifds/index.aspx>

## Goodbye, we will miss you

## Study abroad opportunities

An exchange program allows you to take courses at any of our partner institutions in the US, Canada and Europe while paying AUS tuition and receiving AUS credit. Students can study for 1-2 semesters and have the option of working and completing an internship while abroad.

Students are welcome to stop by MG43 or call 06 515 4027 to speak with a member of our staff. Information about and applications for all of our program can be found on our website:  
<http://aus.studioabroad.com>  
Deadline for Fall 2012 ISEP applications is January 22nd

## Did you know?

Currently, 3.3 million students are studying abroad globally and that is expected to increase to 5.8 million by 2025 (David Stockley, May 2011).
