

Student experiences abroad!

"When I studied abroad, I did not go as a tourist, but rather I went as a person who wanted to experience living in the country, which enriched my mentality about life and cultures."

Islam Al Qaisi, AUS chemical engineering program,
studied abroad at Montana State University, USA,
during Fall 2013

"Studying abroad enables you to live in an international environment from which you gain a fulfilling university experience and friendships for a lifetime."

Hams Al Walid, AUS chemical engineering program,
studied abroad at University of Utah, USA, during Fall
2014

"Studying abroad opens your eyes to other ways of life and cultures. This helps you develop both as a person and a student, to which no other experience can compare."

Joshua Raven, AUS chemical engineering program, studied
abroad at New Mexico State University, USA, during
Spring 2015

How can I find out more?

You are welcome to meet with our advisors in the Office of International Exchange Programs (IXO), located in the Main Building (MG43). You will also find helpful information on our website, www.aus.edu/ixo.

The world is a book and those who do not travel read only one page. — Saint Augustine, Theologian and Philosopher (354–430)

"Traveling – it leaves you speechless, then turns you into a storyteller." — Ibn Battuta

"For my part, I travel not to go anywhere, but to go. I travel for travel's sake. The great affair is to move." — Robert Louis Stevenson

"I am not the same, having seen the moon shine on the other side of the world." — Mary Anne Radmacher

"The use of traveling is to regulate imagination with reality, and instead of thinking of how things may be, see them as they are."
— Samuel Johnson

Feeling adventurous?

Study Abroad!

Chemical Engineering

Students

What is study abroad?

Study abroad means spending a semester or up to a year at an approved university outside the UAE. You can spend up to two semesters taking courses outside of AUS.

Spending time at a university abroad is a truly enriching adventure. You will experience first-hand a different way of life, as well as a new culture and educational environment. At AUS, we encourage you to take any opportunity that helps you grow and develop as global citizens. We can help you connect with universities around the world. This

Why should I study abroad?

When you travel, you can have the adventure of a lifetime. By studying abroad, you can:

- develop an international perspective and intercultural skills that will appeal to prospective employers
- broaden your horizons through access to different experts and courses

What are the requirements?

The basic requirements to study abroad are:

- good standing
- minimum of 60 credits completed at AUS
- minimum GPA of 2.75
- cannot take senior design project while abroad

Other requirements apply based on your specific program.

What are my options?

Our study abroad program allows a student to leave AUS to study at another university for up to two semesters while earning AUS credit. We offer many options for our students to study abroad.
