

Student experiences abroad!

"Studying abroad fundamentally changes you. It's the sort of experience that has the potential to become a tipping point in your life. With all of the resources and help that IXO provides, there is no reason not to take advantage of this opportunity."

Moataz Al Hasan, AUS computer engineering program, studied abroad at University of Vermont, USA, during Fall 2012

"Studying abroad introduces you to a bigger world, a world that you can only discover by living among these diverse international cultures."

Mohammad Suhail, AUS electrical engineering program, studied abroad at George Washington University, USA, during Fall 2015

"My experience abroad in Japan was definitely a unique one. Being introduced to another university's education system as well as experiencing university life in a different culture was enriching and helped me learn from my new experiences."

Sirine Dhaouadi, AUS electrical engineering program, studied abroad at Nanzan University, Japan, during Fall 2015

The world is a book and those who do not travel read only one page.
— Saint Augustine, Theologian and Philosopher (354–430)

"Traveling – it leaves you speechless, then turns you into a storyteller."
— Ibn Battuta

"For my part, I travel not to go anywhere, but to go. I travel for travel's sake. The great affair is to move." — Robert Louis Stevenson

"I am not the same, having seen the moon shine on the other side of the world." — Mary Anne Radmacher

"The use of traveling is to regulate imagination with reality, and instead of thinking of how things may be, see them as they are."
— Samuel Johnson

What is study abroad?

Study abroad means spending a semester or up to a year at an approved university outside the UAE. You can spend up to two semesters taking courses outside of AUS.

Spending time at a university abroad is a truly enriching adventure. You will experience first-hand a different way of life, as well as a new culture and educational environment. At AUS, we encourage you to take any opportunity that helps you grow and develop as global citizens. We can help you connect with universities around the world. This opportunity is affordable, fun and, planned properly, does not delay your graduation!

Why should I study abroad?

When you travel, you can have the adventure of a lifetime. By studying abroad, you can:

- develop an international perspective and intercultural skills that will appeal to prospective employers
- broaden your horizons through access to different experts and courses
- experience a new culture, and learn how to adapt

What are the requirements?

The basic requirements to study abroad are:

- good standing
- minimum of 60 credits completed at AUS
- minimum GPA of 2.75
- cannot take senior design project while abroad

Other requirements apply based on your specific program. Check with IXO for details.

What are my options?

Our study abroad program allows a student to leave AUS to study at another university for up to two semesters while earning AUS credit. We offer many options for our students to study abroad.
