

## Student experiences abroad!

"The whole experience is just awesome, and amazing. Classes there were really fun, and there were a lot of choices."

Osama Mafraji, AUS electrical engineering program,  
studied abroad at San Diego State University, USA,  
during Fall 2010

"At Virginia Tech, I worked and studied with other electrical engineers who were very passionate about their field. It was really awesome to work with them, especially in the engineering labs, in a completely different environment than I was used to."

Sonia Soares, AUS electrical engineering program, studied  
abroad at Virginia Polytechnic Institute and State  
University, USA, during Spring 2012

"Studying abroad was a life changing experience. It was the best decision I've made in my four years of university. I would recommend all AUS students to spend a semester abroad before graduating."

Ramy Hisham, AUS electrical engineering program,  
studied abroad at Louisiana State University, USA,  
during Fall 2013

The world is a book and those who do not travel read only one page. — Saint Augustine, Theologian and Philosopher (354-430)

"Traveling – it leaves you speechless, then turns you into a storyteller." — Ibn Battuta

"For my part, I travel not to go anywhere, but to go. I travel for travel's sake. The great affair is to move." — Robert Louis Stevenson

"I am not the same, having seen the moon shine on the other side of the world." — Mary Anne Radmacher

"The use of traveling is to regulate imagination with reality, and instead of thinking of how things may be, see them as they are."  
— Samuel Johnson

## Study Abroad!

### Electrical Engineering

### Students

### What is study abroad?

Study abroad means spending a semester or up to a year at an approved university outside the UAE. You can spend up to two semesters taking courses outside of AUS.

Spending time at a university abroad is a truly enriching adventure. You will experience first-hand a different way of life, as well as a new culture and educational environment. At AUS, we encourage you to take any opportunity that helps you grow and develop as global citizens. We can help you connect with universities around the world. This

### Why should I study abroad?

When you travel, you can have the adventure of a lifetime. By studying abroad, you can:

- develop an international perspective and intercultural skills that will appeal to prospective employers
- broaden your horizons through access to different experts and courses

### What are the requirements?

The basic requirements to study abroad are:

- good standing
- minimum of 60 credits completed at AUS
- minimum GPA of 2.75
- cannot take senior design project while abroad

Other requirements apply based on your specific program. Check with IXO for details.

### What are my options?

Our study abroad program allows a student to leave AUS to study at another university for up to two semesters while earning AUS credit. We offer many options for our students to study abroad.
