Spending time at a university abroad is a truly enriching adventure. You will experience first-hand a different way of life, as well as a new culture and educational environment. At AUS, we encourage you to take any opportunity that helps you grow and develop as global citizens. We can help you connect with universities around the world. This opportunity is affordable, fun and, planned properly, does not delay your graduation!

The basic requirements to study abroad are:

- good standing
- minimum of 60 credits completed at AUS
- minimum GPA of 2.75
- cannot take senior design project while abroad

Other requirements apply based on your specific program. Check with IXO for details.

- broaden your horizons through access to different experts and courses
- experience a new culture, and learn how to adapt
