

## Study abroad opportunities

### Maastricht University, Netherland, Summer School 2012

Maastricht is one of the oldest and most attractive cities in the Netherlands. Maastricht University in collaboration with Maastricht School of Management and Zuyd University of Applied Sciences present the Maastricht Summer School offering more than 20 courses of all kinds. The courses are geared towards students at 2nd and 3rd year bachelor's level but may also be interesting for master's students. If there are specific admission requirements, these will be published with the course description in question. A fun social program and guest rooms are waiting for you. There are three course periods of two weeks each: 9 - 20 July 2012, 23 July - 3 August 2012, and 6 - 17 August. For registration and more information please visit:

### New Partner! Southern Utah University

Founded in 1897 as a teacher training school, Southern Utah University has grown to 8,000 students studying in 150 academic disciplines. Situated in the quintessential "college town" of Cedar City (pop. 30,000) and surrounded by many of American's greatest national parks, the university is a fully accredited member of the Northwest Commission on Colleges and Universities. SUU's College of Science and Engineering is ABET accredited, and the School of Business is AACSB accredited. Students may choose from a variety of courses from different colleges and schools. Visit our office MG-43 for more information and to apply for Spring 2013.

### Providence University, Summer 2012

Providence University is in the rural setting of Shalu, Taichung City in central Taiwan. Students enjoy clean air and expansive green vistas in and around the school. Taichung is located in central Taiwan with mild weather most of the time as well as a safe and friendly environment. The Summer Program at PU aims to offer an exciting but educational short term travel and study program for international students. Students who participate in this 6-week program will have 54 hours of solid and practical training in Mandarin language, 9 hours of professional management lectures plus 3 visits to enterprises of Taiwan's core industries, as well as a wide range of cultural outings. In addition, each student will have a learning partner who will accompany him or her to further explore Taiwan. For applying and for more information, please visit:
