American University of Sharjah, Office of International Exchange Programs

Monthly newsletter September 2011

Welcome to an exciting new semester

It is the start of a new exciting semester, and we would like to warmly welcome all new students and especially all new exchange students to AUS. We welcome you all to our beautiful campus and urge you to make the most of your time here at AUS. And don't forget to join our Facebook group page so you can keep informed of our upcoming events and activities.

Information sessions

Interested in exploring new opportunities to study abroad? Beginning this semester, we will be holding information sessions twice a week that will provide you with extensive information about opportunities to study abroad, requirements, deadlines and the application process.

For information about the dates and venues of these sessions, be sure to join our Facebook page.

Chill out in Dubai

International students along with friends of the Office of International Exchange Programs headed off to Jumeirah in Dubai for a sumptuous lunch by the beach.

Our friends

The Office of International Exchange Programs' friends are an indispensable part of our office. They keep on helping us organize events and activities with their superb efforts. We would like to thank all our friends and especially Wasay, Muhammad Hisham, Ahmad Al-Rikabi, Firas, Sarah Nemeth, Rick Angell, Shahin, Moataz and Ankara for helping us during the orientation week. Join us and become one of our friends. Check the links at the bottom or email us.

Message from the director

"Our office facilitates a wide range of international learning opportunities, including student exchange and visiting student programs. We help students with the application process, and provide them with advice about the opportunities available to them. In addition to our work with students, we facilitate the admission of visiting scholars and welcome international guests and delegations to AUS. We work closely with faculty to develop excellent study tours around the world. This year, we will also work to develop new international exchange opportunities for faculty and staff, as well.

I urge all AUS faculty, staff, and students to visit our reference library (in MG43) for lots of information on universities and study abroad programs around the world."

Dr. Linda C. Angell
