

AUS Resources

Help us help you!

Services Offered by the Academic Support Center

First Year Experience (FYE)

Supports first-year students by offering them opportunities to engage meaningfully with the AUS community and learn skills that promote academic success. To learn more about thriving in the AUS community, listen in on candid conversations with fellow AUS-ers on our FYE Chats podcast:

fye-chats.simplecast.com.

Contact: +971 6 515 2355, Main Building, M-M01B

Email: fye@aus.edu | Instagram: @ausfye |

Website: aus.edu/fye

Exploring Majors

Coach undeclared students and those exploring different majors.

Administer the Strong Interest Inventory Questionnaire to help students explore their interests.

ASC Academic Coaching

Help students clarify their educational goals, develop study skills, and connect to appropriate resources. ASC Academic Coaches use various tools to assess students' study skills, such as the Learning and Study Strategies Inventory (LASSI).

Students on academic probation are part of the Academic Thrive Program and are required to meet with an ASC Academic Coach.

Academic Accommodations for Students with a Disability

Provide academic accommodations for students with a physical or mental condition.

To receive accommodations, apply at the ASC by the fifth week of classes.

Student Success Workshops

Workshops are held regularly, covering a wide range of student success topics.

Students who attend a number of different workshops can earn student success certificates.

ASC Peer Mentors

ASC Peer Mentors are AUS students typically in their junior or senior year who use first-hand experience to advise fellow students. They can share strategies for success and connect students to AUS resources and opportunities.

Events

ASC offers various events designed to support students' academic success.

Contact: +971 6 515 2180, Email: asc@aus.edu,

fye@aus.edu

Location: Main Building, M-M01

Academic Services

Academic (Major) Advisors

Offer course registration advising and information about the academic majors. Contact your designated advisor for assistance.

Faculty Office Hours

All instructors hold weekly office hours (listed in the course syllabi), during which students can seek help directly from them. Contact the instructor/professor for availability.

Teaching Assistants (TAs)

Many TAs deliver recitations or labs and may also offer additional review sessions and weekly office hours. Ask your instructor/professor about TA availability and offerings.

BCE Learning Center (BCE)

Offers tutoring for Biology, Chemistry and Environmental Science courses (e.g. CHM 101, CHM 102, CHM 215, BIO 101, BIO 102, ENV 100 and others) to students registered in these courses. One-on-one and group tutoring sessions offered on a drop-in basis.

Contact: bcelearningcenter@aus.edu.

Location: CHM-117, Chemistry Building.

Business Learning Center

Offers supplemental learning through 1:1 tutoring in the following courses – ACC 201, ACC 202, ECO 201, ECO 202, FIN 201, QBA 201 and SCM 202. To book an appointment: <https://forms.aus.edu/232412652916858>

Location: School of Business Administration, SBA 1164.

Engineering Learning Center (ELC)

Offers one-on-one tutoring (online and in person) to students throughout the College of Engineering to aid them in their engineering courses. To book a tutoring session:

<https://auscen.mywconline.com/>

Contact: cen-learningcenter@aus.edu

Location: Engineering and Sciences Building, ESB-1019

Mathematics Learning Center (MLC)

Offers free tutoring service (online and in-person) to students in 00-level and 100-level math courses.

Offers review sessions to help students learn and prepare for upcoming exams.

Contact: cas-mlc@aus.edu, +971 6 515 2163

Location: Library LIB027

Physics Learning Center (PLC)

Offers free tutoring services to all students taking PHY 001, PHY 101, and PHY 102, on a first-come, first-serve basis. Appointments are not required. Operating times: Mon-Thu 09:30-4pm from the 4th week of classes until the 12th week.

Location: Room P212, Department of Physics

Writing Center

Offers one-on-one tutoring and online tutorials to students throughout AUS to help them improve their writing skills. Contact: +971 6 515 2278, writingcenter@aus.edu

Instagram: @aus_writingcenter | Location: LIB 024 and Online

Achievement Academy Bridge Program (AABP)

Offers students English language courses and eligibility to register for certain CAS courses concurrently.

Contact: +971 6 515 2653, academy@aus.edu Location: Main Building, third floor.

AUS Library

The library is filled with resources dedicated to assist and support students throughout their time at AUS. The Library Service Desk is your key service point for assistance. Contact: +971 6 515 2256, researchhelp@aus.edu | Instagram: @auslibrary | Visit: library.aus.edu

The Engineering Dean's Team (EDT)

The team consists of student ambassadors from each engineering department who aim to assist the College of Engineering Dean's Office in engaging with the CEN student community through workshops and events.

Contact: edt@aus.edu, +971 6 515 2948

Location: Engineering and Science Building, Second Floor, Dean's Office.

CAS Student Team (CST)

Initiates and organizes university-wide events to expand student communication opportunities.

Contact: casstudentteam@mailman.aus.edu,

Instagram/Twitter: @aus_cst

Location: New Academic Building, NAB 12B

SBA Dean's Business Team (DBT)

Helps SBA students gain meaningful experience in the business world through events and skill development.

Contact: dbt_sba@aus.edu

Location: School of Business Administration, SBA 0016
