Bachelor of Science in Business Administration in Finance

**BE PREPARED
TO MAKE A
DIFFERENCE.**

AUS finance alumna Reem Daoud is using her finance degree to make a difference in the world, working in London for CDC Group, the UK's development finance institution.

As a private equity investments manager, Reem helps to support the building of businesses throughout Africa and South Asia, to create jobs and make a lasting difference to people's lives in some of the poorest parts of the world.

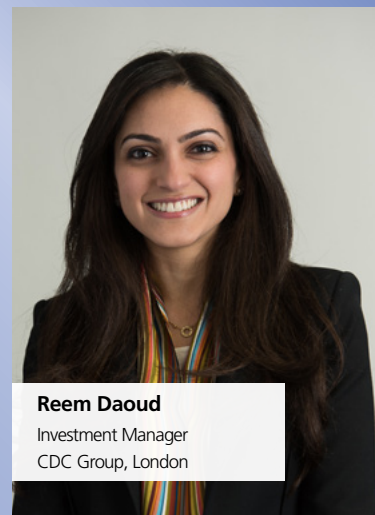

Reem's career started at AUS where she studied the foundations of finance, worked on real-world projects and took advantage of student internship opportunities. She later completed an MBA at the prestigious London Business School.

At CDC Group, Reem now combines her passions for people and business to ultimately make the world a better place.

Become a **#proud_AUSeer** like Reem.

I am proud to have been an AUS pioneer student and founding member of the Business Student Council. This experience was truly life-changing and set me up for both personal and professional success.

Course information

A **BSBA in Finance from AUS** will give you a solid understanding of finance as the science of making money, raising and allocating funds to create value at both a personal and corporate level. You will learn how to make prudent investment and financing decisions, how to optimize a firm's working capital and how to manage financial risk.

Using our own Interactive Trading Floor, you will gain first-hand knowledge of the intricacies of financial markets, while preparing for professional certifications such as the Chartered Financial Analyst (CFA) qualification.

Where will this take me?
