

## CEN THROUGH MY EYES: A SHORT FILM COMPETITION

A perspective on the history and present of the College of Engineering, open to all AUS community members, including students, alumni and employees.

### Categories

The short film should be based on one of the following themes:

- 25 Years of CEN Through My Eyes: a perspective on the history of the college of engineering
- Life in CEN Through My Eyes: a perspective on the daily life of a student/employee in the college of engineering

### Prizes

First place: **2,000 AED**

Second place: **1,500 AED**

Third place: **1,000 AED**

People's choice: **500 AED**

Selected submissions will be featured in CEN's Jubilee Film Festival Night and showcased in CEN buildings.

Projects will be evaluated based on the originality of the idea, concept, creativity, technique (high-quality sound and video) and relevance to the theme. The people's choice winner will be selected based on social media interactions.

We advise participants to conduct research to enrich their project with facts.

The film can be fictional, documentary, animated, or any other free form, so long as it portrays the theme creatively
