

Change of Academic Catalog Form

- The graduation requirements for any individual student are determined by the catalog that was effective when the student matriculated in the major, referred to as the student's catalog of record. A student may choose to follow the catalog effective for any semester/term in which they were a registered student in their current Program of study.
- Student must file this form with the Office of the Registrar no later than the end of the add/drop period of the student's graduation semester/term.
- Every individual student is personally responsible for meeting all graduation requirements as detailed in his/her catalog year.
