IXO Update, February 2016

Study Abroad, Visitors, and Opportunities Around the World!

Study Abroad News:

- Currently, 23 AUS students are studying abroad during the Spring 2016 semester, mostly in the USA and Canada. Many of them are enjoying the recent snowfalls on the East Coast! One student is spending a '[Semester at Sea](#)' program and earning credit at the University of Virginia!
- Students wishing to take courses outside of AUS in Summer 2016 are invited to visit IXO to peruse our Summer Opportunities Booklet, and can find more info about the process [here](#). Please note that - although IXO collects and shared information about unique summer opportunities through our summer booklet - IXO does **not** process outbound Summer study abroad applications, instead these applications are handled through the Registrar's Office.
- The IXO Team is excited to observe more and more AUS students studying abroad at host universities outside of North America in recent semesters. We have a number of students who have recently returned from study abroad experiences in Japan, South Korea, the Netherlands, Sweden, and the UK.
- **We are currently accepting applications for study abroad in Spring 2017. The deadline to apply online will be Saturday, May 7th.** Come and talk to an IXO Advisor today for more information! We are always available for you in our offices in the Main Building, Ground Floor, MG43 (ixo@aus.edu, x4029). You can also find more information about the application process on our website at:

http://www.aus.edu/info/200176/international_study_and_exchange/554/go_abroad

International Visitors:

- Dr. Venkat Reddy Vummadi, a Visiting Scholar who recently arrived from Osmania University in India, is being hosted by Dr. Sofian Kanan (CAS) through 1 April 2017.
- Prof. Roberley Ann Bell from Rochester Institute of Technology will be arriving this weekend and staying for two weeks (through February 27th). She is hosted by Prof. Eirik Heintz (CAAD).

Other News:

- IXO has five Peer Advisors available in our Main Office (Main Building, Ground Floor, MG43, x4029) who can advise you about the many opportunities available to you - they have all recently returned from their own study abroad, and are happy to share their experiences with you!
- We invite you to join our Social Media if you would like to stay in touch with international opportunities from around the world! Please like us on:

On behalf of the IXO Team, I would like to wish you all the very best for the upcoming semester, and we look forward to working with you to send you away for an adventure of a lifetime!

Sincerely,

Linda Angell
