NEW STUDENTS’ GUIDE

For Undergraduates

2021–2022

Because tomorrow matters
Congratulations on your admission as an undergraduate student to American University of Sharjah! We are pleased to have you as a member of our community—a university that is like no other.

This guide will help you make your transition to AUS. In addition to explaining procedures, the guide answers important questions frequently asked by newly admitted students. We encourage you to read this guide carefully and completely—we know you will have many questions along the way. If you need more information, please contact us in the Office of Enrollment Management or log in to infodesk.aus.edu and post your query.

At AUS, we believe that tomorrow matters, and we are pleased that you have chosen to spend your university years with us. We look forward to welcoming you to campus as a #Proud_AUSer!

Office of Enrollment Management
Undergraduate Admissions
Before you arrive

Before you go through this guide, please read your Admission Letter carefully. To complete your admission, please make sure you submit the required items before the indicated deadline. There are a number of very important dates in the letter that you need to note down on your calendar.

How do I pay deposits?

As indicated in your Admission Letter, there are limited seats available for new applicants interested in joining AUS. To ensure that a seat is reserved for you, you are required to pay a seat reservation deposit of 5,000 UAE Dirhams by the stated deadline (refer to the last paragraph of the letter). ONLY applicants who pay the required deposit before the deadline are guaranteed a seat. Failure to pay the deposit before the deadline will result in the removal of your name from the admitted students list and revocation of the offer of admission extended to you. Please don’t assume anything regarding the deposit payment; instead, contact us before the deadline if you have any questions related to your deposit. In addition, applicants who plan to reside on campus need to pay a room reservation fee of 500 UAE Dirhams. Both deposits are non-refundable and non-transferable to others under any circumstances. Upon your registration for classes, the paid deposits will be deducted from your tuition and housing fees.

Payment methods

The seat reservation fee and room reservation fee can be paid online using any major credit card. Please go to banner.aus.edu and log in to Web Enabled Interface for Students using your AUS email username and password. Once logged in, go to Current Applicants—E-payment Main Menu—Submit E-payments. For information on other payment methods, please visit www.aus.edu/methods-of-payment.

How do I apply for a visa?

If you are an international, non-resident applicant who is not a GCC national and have been accepted to full-time study in an AUS undergraduate or graduate program, the university is able to provide you with a sponsored student visa, enabling you to study and reside in the UAE.

You must apply for the student visa before arriving in the UAE. The first step towards obtaining the student visa is to apply for the entry permit.

How do I apply for an Entry Permit?

Step 1. Fill out the Student Visa Request form.

Step 2. Prepare the required documents:

• a colored passport copy valid for at least six months
• a recent passport-size photo, white background and without glasses
• your acceptance letter in Arabic (received from the Office of Enrollment Management)

Step 3. Please email the form along with the required documents to VES@aus.edu.

You may also send these items by courier to the following address:

American University of Sharjah
Visa and Equalization Services
Mezzanine Floor, Main Building, MM19
PO Box 26666
Sharjah, United Arab Emirates

Step 4. After we receive your documents, we will process your request and apply for the initial government approval of the Entry Permit.

Step 5. Once it is approved by the concerned UAE authorities, we will issue your Entry Permit and send it to you via the email address you have provided on the Student Visa Request form, in addition to your AUS student email.

You should use this permit to enter the UAE. The Entry Permit is valid for only 60 days from the date of issue. Once you have entered the UAE, your temporary visa will be valid only for 60 days from the date of entry.

Important Notes

• Please email your Student Visa Request form and the required documents as soon as you receive your admission package from the Office of Enrollment Management.
• Don’t book your flight to the UAE until you receive your Entry Permit.
• In order to process your Entry Permit, you must pay your Seat Reservation Deposit (for undergraduate students only).
• Your passport must be valid for at least six months.
• When entering the UAE, you must use the same passport that was used for your Entry Permit application.
• Students should not apply for other visas for the UAE while AUS is processing their Entry Permit.
• If you use the Entry Permit to enter the UAE and then you decide to exit the country before your Student Residence Visa is issued, you then must fill out the Residence Visa/Entry Permit Cancellation Request form and visit Visa and Equalization Services on the Mezzanine Floor of the Main Building, MM19.

After you arrive safely at AUS, you are kindly requested to apply for the Student Residence Visa.

For information on student visas, please visit www.aus.edu/admissions/international-students/student-visas.

How do I apply for the Student Residence Visa for international students?

Step 1. Fill out the Request for Visa Services Payment Form.

Step 2. Pay the required fee at the Cashier’s Office and get the form stamped.

Step 3. Submit the stamped form, your original passport and your Entry Permit to Visa and Equalization Services, Office MM19, Mezzanine Floor, Main Building.

For online payment, contact Student Accounts at studentaccounts@aus.edu and send the payment confirmation by email to VES@aus.edu.

*New students will get a three-year Residence Visa renewable for one year, depending on how many semesters remain until their graduation.

How do I apply for on-campus housing?

Living in the AUS residential halls is an ideal way for students to meet and get to know each other. The residential halls provide an environment that is convenient, safe and friendly, especially when you are away from home probably for the first time. Besides rooms, the residential halls offer other facilities to make your stay as pleasant and convenient as possible. For more information, please visit www.aus.edu/osa/residentialhalls.

In Fall 2021, the residential halls will open to accommodate as many students as allowed by the safety guidelines issued by the UAE Ministry of Health and Prevention when the university returns to partial or full on-campus classes. At present, residential hall accommodation is restricted to single room occupancy, with a private bath and kitchenette. The room rate will be 11,000 AED (plus applicable fees) for Fall Semester 2021. For more information on room fees, please visit www.aus.edu/ug-fees. Space may be limited, so we encourage you to apply early if you intend to reside on campus.

To apply for a room in the AUS residential halls, please go to banner.aus.edu and log in to Web Enabled Interface for Students using your AUS email username and password. Once logged in, go to Housing Application Form for Applicants and fill out the required information.

Note: In addition to the non-refundable 500 UAE Dirhams maintenance deposit. Please visit www.aus.edu/osa/residentialhalls, call +971 6 515 2427/2244 or email roomassignment@aus.edu for more information.
How do I book English admission tests or SATs?

To complete the requirements for admission to any college/school for any given semester, applicants must submit a valid English Language Proficiency test score report (see the table below).

Students who meet the required minimum English Language Proficiency score will register for first-year courses after completing the required major placement tests.

Students who do not attain the minimum required scores but who otherwise meet AUS admission standards will be admitted to the Bridge Program of the Achievement Academy at the university. To determine the level of an admitted student, the student may be required to take the Bridge Program Placement Test before the start of the semester.

For inquiries, please log in to infodesk.aus.edu. For information about the Bridge Program, visit www.aus.edu/achievement-academy/bridge-program.

Required Identification for All Tests

For all of the above-mentioned tests at AUS, you must present your original, valid and signed passport or UAE National ID or school ID (for SAT only) for identification purposes on the day of the test. No other form of identification document is accepted. If these documents will not be available on the day of test, contact the AUS Testing Center immediately.

How do I verify my IBT TOEFL, IELTS, EmSAT and/or SAT scores?

Students who submit their English Language Proficiency (TOEFL or IELTS) score report directly from the test provider do not require further verification. Reports submitted as an upload or by email (a colored scan of the score report sent to the AUS Testing Center via infodesk.aus.edu) will require online verification.

For EmSAT score verification, applicants must log in to their EmSAT account and add AUS to the institutes permitted to access their EmSAT results, which will allow AUS to verify their scores.

To verify an SAT score, applicants must request their original SAT score reports to be sent directly from College Board to the AUS Testing Center. This can be done by logging in to the test provider portal and choosing the relevant AUS test center SAT code: 5543.

How do I certify or attest my secondary school records?

In order for admitted students to complete their files and register for classes at the beginning of their semester of admission, they need to submit certified or attested original secondary education certificates and grade reports.

Certification or attestation can be done in one of the following ways:

Students completing their secondary education in the UAE

1. Certificates and grade reports must be certified or attested by the UAE Ministry of Education.
2. British system qualifications must be certified or attested by either the British Council in the UAE or the UAE Ministry of Education. The British Council requires the certificates to be attested by the school. The required attested British certificates are the final certificates, NOT the statement of results or the provisional results. Originals must also be submitted along with the certified copies for final verification by the Office of Enrollment Management. Originals will be returned.

3. For online attestation by the UAE Ministry of Education (if applicable) please visit www.moe.gov.ae/InEServices/Pages/ServiceCatalog.aspx. Students completing their secondary education OUTSIDE the UAE

1. Certification from country of origin: Documents must be certified or attested by the authorized educational authority, the country’s Ministry of Foreign Affairs and the UAE Embassy, or the British Council in the UAE.
2. Certification in the UAE: Documents that are certified by the authorized educational authority of the country of origin must be certified or attested by the country’s embassy in the UAE and the UAE Ministry of Foreign Affairs.
3. British system qualifications must be certified or attested by the British Council either in the country where the student took the tests or in the UAE. The British Council requires the certificates to be attested by the school. The required attested British certificates are the final certificates, NOT the statement of results or the provisional results. Originals must also be submitted along with the certified copies for final verification by the Office of Enrollment Management. Originals will be returned.

4. Students completing their secondary education in KSA should have their certificates attested by the Ministry of Education in KSA, the Saudi Cultural Attaché in Dubai, and finally the Ministry of Foreign Affairs in the UAE.

5. The West African Examination Council (WAEC) results can be verified by providing the AUS Office of Enrollment Management with the student’s WAEC scratch card details (examination number, examination year, examination, card serial number and PIN).

For more information on required attestations, please visit www.aus.edu/attestations.

What are the laptop computer requirements?

To access the software and electronic resources needed for study at AUS, first-year undergraduate students must own an internet-capable laptop or similar device capable of running Microsoft Windows, Linux or Mac OS X applications.

Students may opt to use an existing laptop or device. If purchasing a new device, students should select one with the recommended specifications shown here. Please note that computers in specialized and technical labs will continue to be available for AUS students enrolled in specific courses that use those labs.

Recommended Specs
- Intel Core i7
- Quad-Core Processor
- 32 GB Memory
- 512 GB - PCIe NVMe Solid State Drive
- 4 GB Discrete Graphics Card
- Display - Full High Definition (FHD) or Retina for Apple Products
- HD Camera
- Laptop Case (optional)
- Wireless Mouse (optional)
- 1 TB external drive for additional storage (optional)
- Windows 10 or macOS Big Sur
- 3 years ProSupport or AppleCare for Apple Products (recommended)

Please note that for certain majors, the College of Architecture, Art and Design has specific laptop requirements in the later years, which may require purchasing a new device at that stage.

AUS IT provides access to Microsoft Office 365 for all registered students. Students are also able to utilize college/major-specific software and programs through the university’s apps store. IT support is provided through self-help resources and dedicated student helplines.

If you have any questions and would like to discuss your specific requirements with the IT team, please contact the IT Service Desk on the contact points below:

Tel: +971 6 515 2121 | itservicedesk@aus.edu | https://itfaq.aus.edu.

What are placement tests?

All admitted applicants are required to complete the Major Placement Tests to be able to register for first-year-level courses. Upon receiving the Admission Letter, admitted applicants are requested to book online for math and physics placement tests as required by their intended majors. In order to be able to book online for the English Placement Test, admitted applicants should have the minimum required English Language Proficiency score as indicated in the table on page 8.

These tests help place students in the appropriate level of English, math and physics. There is no “pass or fail” for the major placement tests. Admitted students will register in different levels of their courses based on their exam score. No student is allowed to sit for a placement test more than once.
The preparatory courses’ final grades count toward the cumulative grade point average (CGPA), but the preparatory courses’ credits do not count toward degree credits. Admitted students are encouraged to book their placement tests as soon as possible.

Placement Test Exemption
Applicants who have completed SAT Subject Test - Math Level 1/2 and a minimum score of 600 are exempt from taking the AUS math placement tests. Applicants meeting any of the placement tests exemption criteria (see www.aus.edu/testing-center/aus-placement-tests) and transfer students may be exempted from taking certain placement tests, depending on subjects/courses completed and grades earned.

Applicants who meet any of the exemption criterion should send a request on infodesk.aus.edu attaching a copy of the reports to get a written confirmation regarding any exemption.

Booking Your Placement Tests
To book your placement tests, please go to banner.aus.edu and log in to Web Enabled Interface for Students using your AUS email username and password. Once logged in, go to Current Applicants, then go to Testing Center Registration and view the test schedule, and then submit the registration request for approval at least one week prior to the test date. All major placement tests are free of charge.

AUS major placement tests are taken on your own computer at home using the AUS Learning System (https://learnc.aus.edu/) and on Respondus LockDown Browser. For more information, please visit www.aus.edu/testing-center/aus-placement-tests.

Placement Test Results
You can check your results by signing in to banner.aus.edu and logging in to Web Enabled Interface for Students using your AUS email username and password. Once logged in, go to Current Applicants then Test Scores. Bridge Program Placement Test results will be posted on the Achievement Academy announcement board.

Achievement Academy Bridge Program and Bridge Program Placement Test
Students who score below the required English Language Proficiency (ELP) score for the semester of entry are invited to join the Achievement Academy Bridge Program (AABP). The ELP score will determine the Bridge Program entry level. Students are required to contact the Office of Enrollment Management to join the Achievement Academy Bridge Program (AABP). For more information, please visit www.aus.edu/achievement-academy/bridge-program.

Students admitted to the AABP are required to attend the orientation session on Monday during the Orientation week. If needed, the students will be booked for the placement test by the AABP registration team. The AABP Placement Test is free of charge.

What is the Medical Record Form?
As a new student, you will be required to submit the Medical Record Form to University Health Services (UHS). However, due to the current situation, you can wait to submit the form until you are physically attending classes on campus.

The Medical Record Form must be endorsed and stamped by a physician; you can complete it in your home country with a licensed general physician or have it completed by AUS University Health Services. Please include a copy of your vaccination record, general physical exam results and all laboratory investigations.

Medical insurance is compulsory for all AUS-sponsored students (visa sponsored by AUS) and for all students who don’t have health insurance coverage of their own.

For more information on student insurance plans, visit www.aus.edu/health-center.

Can I change my major?
Once admitted to AUS, applicants will not be able to make changes to their applications. Therefore, admitted applicants who want to change their majors would need to submit a new application choosing the new intended major.

Applicants can submit a maximum of two applications in a semester. The request will be evaluated against your school grades and availability of seats in the major you are interested in pursuing. You will be notified of the decision, and, if approved, you will receive a new Admission Letter showing the new major.

How do I request airport pick-up?
New students can request pick-up service from Sharjah International Airport and Dubai International Airport (Terminals 1, 2 and 3). If you need pick-up service, please fill out the enclosed Airport to Campus Transportation Form. An AUS representative will be assigned to welcome you at the airport.

Rates for the transportation service are listed on the enclosed request form.

Can I defer my application?
If you decide not to join AUS at this time, you can choose to defer your application. Applicants may request deferral of their applications within the same academic year only. Approval is subject to applicants’ credentials as well as availability of seats. UAE citizens attending compulsory military service may defer their application to the next academic year. To submit a deferral request, log in to apply.aus.edu. Go to My Account, then My Applications and then choose your active application. Then, click View and scroll down to Deferral Request.

Rates for the transportation service are listed on the enclosed request form.
**What is the orientation program?**

Our New Student Orientation program is packed with important information and memorable activities to help you get your AUS experience off to a great start. Through the weeklong program, we'll introduce you to AUS and your college/school, help you connect with classmates and your Peer Leaders, and introduce you to the various support services available to you in your first year and beyond.

Orientation is extremely important to ensuring all new AUS students receive the best start to university life possible and is therefore mandatory. Students who don't attend the orientation sessions will have difficulties in registering for courses.

Orientation takes place one week before classes start, and will include events for both you and your parents. Be sure to check www.aus.edu/new-student-orientation for the schedule of events and other important information. This page is full of resources to help you get started as an AUSer and make sure you have the best start to your first semester.

**Is my file complete?**

A student's admission file is considered complete only when all the requirements mentioned in the Admission Letter have been received by Office of Enrollment Management-Undergraduate Admissions.

Please refer to your Admission Letter and any email you have received from Undergraduate Admissions to make sure that you are not missing any documents. To complete your file you must present the required original attested documents during an Online File Completion session.

Admitted applicants who have paid the seat reservation deposit and have all the required documents must book for a file completion session using their AUS email address by visiting https://ugfilecompletion.youcanbook.me/.

Please do not mail, courier or hand deliver any original document that you cannot duplicate. Undergraduate Admissions staff will only need to see the original document and will keep a copy. The original documents will be returned to you.

**Early File Completion (for fall semester applicants)**

To be able to register for classes, you must have a complete application file and any hold must be inactive. Undergraduate Admissions offers the Early File Completion (EFC) service for applicants who have paid the seat reservation deposit.

Refer to your Admission Letter for a list of missing documents. To complete your file, the listed missing documents must be presented during your visit for Early File Completion.

What? Fall semester applicants are invited to Early File Completion.

When? Starting mid-July until the end of August. Exact dates will be emailed in July.

Where? Currently all File Completion sessions are held online using Google Meet.

How? Prepare all the requested missing documents as stated in the Admission Letter.

What if? If you don't attend a File Completion session, you will not be able to register for courses.

**What if I have earned IB, AP, A-Level, French Baccalaureate or equivalent?**

If you have achieved a minimum grade equivalent to B in IB Higher Level, GCE A-Level, the Lebanese Baccalaureate, the French Baccalaureate, the Spanish Baccalaureate, the German Abitur or the American Advanced Placement tests, you could be exempted. If you were requested to submit forms or copies of documents, scan the forms or documents and log in to apply.aus.edu and go to View next to your application. Then, using the Supplemental Items & Documents tab, you can attach clear, colored scans to the applicable items by pressing Choose File. Only proper scans will be accepted. Snapshots by devices are not accepted.

If you were requested to submit original attested documents or transcripts, submit the documents by hand. Proceed to Undergraduate Admissions or Graduate Admissions (as applicable) located in the Main Building-Ground Floor. Prior to visiting the admissions office at AUS, please book a meeting in advance.

Applicants living abroad may submit documents when they visit AUS one week prior to joining the university. For enquiries, please log in to infodesk.aus.edu and post your query.

**How do I register for classes?**

Registration for classes is possible only after completing all the required placement tests and completing your file. Advisors are available to register students and guide them. The complete process will be explained during the academic orientation session, which will be held during the orientation week. Be sure to attend this very important session (check the schedule that will be sent to you by email) and follow the instructions provided to avoid confusion and frustration.

**When and where do I pay my tuition fees?**

Once you register for your classes, you can view a summary of your tuition fees by logging in to banner.aus.edu and logging in to Web Enabled Interface for Students using your AUS email username and password. Once logged in, go to Student Services, click on Student Records and view the statement of fees. For more information on payment methods and important deadlines, please visit www.aus.edu/payment-guide. The deadline for completing your full tuition fees payment is the Thursday ending your first week of classes.

**How do I get my AUS ID card and car sticker?**

All new students will be issued an AUS Identification Card (ID) shortly after the beginning of their first semester at the university. This is usually done when students register for classes and complete all payments. The ID card is essential for university gate access, checking out books and materials from the library, and using lab facilities. The card also entitles students to discounts at participating shops, restaurants and other outlets in Sharjah and Dubai. AUS students are expected to keep their ID cards with them at all times. AUS ID cards are valid for one semester, so you will be required renew your card at the beginning of each semester.

If you wish to drive/park your car on campus, you will also need to get an AUS car sticker. Both the ID card and the car sticker are issued by AUS Security. To get your card ID and car sticker, visit the Security office, located on the Mezzanine Floor of the Main Building. Please make sure you have done the following before you go:

**AUS ID Card**

- Please ensure your status is "active" in the system.
- Email your passport-size photograph in JPEG format to snaqvi@aus.edu after naming it as @000xxxxx. Enter your ID number in the email subject line.
- Complete the survey form emailed to all new students after registration (master's and transfer students are exempted).

**Car Sticker**

- Apply for car sticker issuance/renewal at http://banner.aus.edu. After logging in, click the car sticker request to complete the designated form.
- Provide your valid AUS ID/valid UAE driving license and your car registration(s) in the Security office within three days or your online application request will be cancelled.

Pre-paid parking is limited and will be issued on a first-come first-served basis. For more information, visit www.aus.edu/id-cards-and-car-stickers or call 06 515 2074 or 2075.

**After you arrive**

**What are Admission Holds?**

If you have been conditionally admitted to AUS, an Admission Hold might have been placed on your record. For your admission to be considered final, you must submit any missing critical document. To view the full list of holds, please go to banner.aus.edu and log in to Web Enabled Interface for Students using your AUS email username and password. Once logged in, go to Current Applicants/View Holds.

Students with active holds are required to complete their files before the registration period to be able to register for courses.

To clear holds, students are required to proceed to the concerned department(s) to deliver the requirement(s) so that the hold(s) can be resolved.

If you were requested to submit a CAAQ declaration, visit www.aus.edu/forms-and-publications to access the form.

If you are a transfer student and were requested to submit your university transcript or certificate of good standing, please make sure that you submit your official university transcript showing the final CGPA.

Submitting missing document(s) can be done in one of the following ways:

- If you were requested to submit forms or copies of documents, scan the forms or documents and log in to apply.aus.edu and go to View next to your application. Then, using the Supplemental Items & Documents tab, you can attach clear, colored scans to the applicable items by pressing Choose File. Only proper scans will be accepted. Snapshots by devices are not accepted.

- If you were requested to submit original attested documents or transcripts, submit the documents by hand. Proceed to Undergraduate Admissions or Graduate Admissions (as applicable) located in the Main Building-Ground Floor. Prior to visiting the admissions office at AUS, please book a meeting in advance.

Applicants living abroad may submit documents when they visit AUS one week prior to joining the university. For enquiries, please log in to infodesk.aus.edu and post your query.
How do I open a bank account?
A branch of the Sharjah Islamic Bank is conveniently located on campus. The bank requires the following to open an account:
- your valid original passport
- your UAE national ID
- a letter certifying your enrollment
Twenty-four-hour automatic teller machines (ATMs) are available on campus.

How do I get a UAE driving license?
First, you must be at least 18 years old to obtain a license. Second, you need to do the following:
- Complete the required eye test at one of the registered eye test centers. The nearest one is Grand Optics in Matajer Mall.
- Gather the required documents:
  - a photocopy of your UAE National ID
  - your UAE national ID
  - your valid original passport
  - a letter certifying your enrollment
  - your current driver's license (if applicable)
- Take the required documents to the Sharjah University City Police Office, which is located in University City (opposite Al Qasimia University), or to the Sharjah Driving Institute (SDI) located in Al-Ramtha (next to the Traffic Department). If needed, you can choose to get your driving training on the AUS campus from SDI.

Regulations for obtaining a driving license vary by nationality. The Sharjah University City Police Office will inform you of the latest regulations and guide you through the process required for obtaining your driving license.

FACTS ABOUT AUS

Our curriculum is modeled on the American-style liberal arts tradition, which means that you can take a wide variety of courses beyond those just offered in your major.

New first-time students at AUS may qualify for a financial grant, a merit-based scholarship and a Family Tuition Grant to cover up to a total of 75 percent of tuition and fees.

We have 26 sports teams, with 11 teams for women. Known as the Leopards, our athletes compete in regional and international tournaments.

There are 300 active student volunteers in our community service program, which connects students with a number of social service and charitable organizations.

Accreditation and Licensing

AUS is licensed and its programs are accredited by the Commission for Academic Accreditation of the Ministry of Education’s Higher Education Affairs Division in the United Arab Emirates.

AUS has been accredited in the United States of America by the Middle States Commission on Higher Education (3624 Market Street, Philadelphia, PA 19104, USA, Tel +1 215 662 5606) since June 2004. The MSChE is an institutional accrediting agency recognized by the US Secretary of Education and the Council for Higher Education Accreditation (CHEA).

The bachelor of science degree programs in chemical engineering, civil engineering, computer engineering, electrical engineering, industrial engineering and mechanical engineering offered by the College of Engineering are accredited by the Engineering Accreditation Commission of ABET, http://www.abet.org/. The bachelor of science degree program in computer science offered by the College of Engineering is accredited by the Computing Accreditation Commission of ABET, http://www.computer.org. ABET is the global accreditor of college and university programs in applied and natural science, computing, engineering and engineering technology. AUS was the first university in the Gulf region and the second outside the United States to receive this accreditation.

The Bachelor of Architecture program of the College of Architecture, Art and Design is accredited by the National Architectural Accrediting Board (NAAB) of the United States. This is the first program outside of North America to receive this prestigious accreditation. NAAB is the only organization authorized to accredit professional degree programs in architecture in the United States.

The School of Business Administration is accredited by the Association to Advance Collegiate Schools of Business (AACSB).

Sharjah: A great place to study
There are many reasons why Sharjah has become a leading destination for university study, at both an undergraduate and graduate level. The third largest city in the United Arab Emirates (UAE), and part of the Dubai-Sharjah-Ajman metropolitan area, Sharjah is a dynamic, international and exciting place for students of all ages and backgrounds.

Sharjah is widely regarded as the cultural capital of the UAE, hosting a number of world-class museums and exhibitions. It is also known for its natural beauty, located on the sparkling Arabian Gulf and the Gulf of Oman and in easy driving distance to the sand dunes of the Arabian desert.

AUS is located just minutes from the heart of Dubai and the Dubai International Airport, providing students with easy access to the world-famous attractions of the neighboring emirate.

Sharjah has an active student community, providing a culturally diverse environment from students from all around the globe to meet, explore, develop and innovate. With a mix of languages, cuisines and cultural pursuits, Sharjah is rapidly establishing itself as a world-class student city.
