You can complete it in your home country with a licensed general physician or have it completed by AUS University Health Services. Please include a copy of your vaccination record, general physical exam results and all laboratory investigations.

Students who do not collect their cards after this announcement will be responsible for all treatment fees accrued outside University Health Services.

Students who hold their own medical insurance (Plan II) must provide the University Health Center a copy of their insurance card during the registration period. Medical insurance charges and benefits will be in accordance with the contract originated between the AUS Finance Department and the insurance provider as approved by the administration. You can change your insurance plan ONLY during the registration period of fall and spring semester. For more information on student insurance plans, visit www.aus.edu/health-center.

Sharjah: A great place to study
There are many reasons why Sharjah has become a leading destination for university study, at both an undergraduate and graduate level. The third largest city in the United Arab Emirates (UAE), and part of the Dubai-Sharjah-Ajman metropolitan area, Sharjah is a dynamic, international and exciting place for students of all ages and backgrounds.

Sharjah is widely regarded as the cultural capital of the UAE, hosting a number of world-class museums and exhibitions. It is also known for its natural beauty, located on the sparkling Arabian Gulf and the Gulf of Oman and in easy driving distance to the sand dunes of the Arabian desert.

AUS is located just minutes from the heart of Dubai and the Dubai International Airport, providing students with easy access to the world-famous attractions of the neighboring emirate.

Sharjah has an active student community, providing a culturally diverse environment from students from all around the globe to meet, explore, develop and innovate. With a mix of languages, cuisines and cultural pursuits, Sharjah is rapidly establishing itself as a world-class student city.
