

## Correction:

### *2025-2026 Undergraduate Catalog*

#### Minor in Mechanical Engineering

This **academic catalog correction** serves to address an error identified in the published printed version of the *2025-2026 Undergraduate Catalog* regarding the Minor in Mechanical Engineering program.

#### Correction Details

Error Location:

- **Page:** 136
- **Section:** Minor in Mechanical Engineering, Minor Requirements, Option 1

Incorrect Information:

- **Listed:** Option 1
  - MCE 222 Dynamics or  
MCE 224 Engineering Mechanics—Statics and Dynamics
  - MCE 223 Mechanics of Materials

Correction:

- **Corrected Information:** Option 1
  - MCE 222 Dynamics or  
MCE 224 Engineering Mechanics—Statics and Dynamics
  - MCE 223 Mechanics of Materials
  - MCE 240 Fluid Mechanics or  
MCE 241 Thermodynamics I

This correction ensures accurate information for students pursuing the Minor in Mechanical Engineering program.
